## Modular Signal Towers / KombiSIGN 72 TwinLIGHT Classic 24VAC/DC GN

ļ

| Part No.:                    | 647.210.75   |                    |
|------------------------------|--------------|--------------------|
| Series:                      | KombiSIGN 72 |                    |
| MECHANI                      | CAL DATA     |                    |
| Height                       |              | 66 mm              |
| Diameter                     |              | 70 mm              |
| Materials                    |              | PC                 |
| Dome colour                  |              | Green              |
| Protection category          |              | IP65               |
| Working temperature minimum  |              | -30°C              |
| Working temperature maximum  |              | +60°C              |
| Weight with packaging        |              | 91 g               |
| Product weight               |              | 77 g               |
| ELECTRIC                     | AL DATA      |                    |
| Operating voltage            |              | 24V                |
| Operating voltage type       |              | AC/DC              |
| Operating voltage frequency  |              | 50Hz               |
| Operating voltage tolerance  |              | +/- 10%            |
| Rated operational voltage    |              | 24 VDC             |
| Rated operational current    |              | 80 mA              |
| Rated inrush current         |              | 500 mA             |
| Protection class             |              | Protection class 2 |
| Pollution degree             |              | 3                  |
| OPTICAL                      | -            |                    |
|                              |              | LED                |
| Light source<br>Light colour |              | Green              |
| Optical signal image         |              | Blink              |
| Optical signal image         |              | Permanent          |
|                              |              | TwinLight          |
| Blink frequency              |              | 1 Hz               |
| Service life optical         |              | 50,000 h maximum   |
| APPROVA                      |              |                    |
| Conforms with CE             |              | Yes                |
| Conforms with RoHS directive |              | Yes                |
| WEEE                         |              | Yes                |
| Conforms with ATEX-directive |              | No                 |
| Conforms with CCC            |              | No                 |
| Conforms with UL             |              | cULus              |
| UL Type Rating               |              | Type 12            |
| Conforms with FCC            |              | No                 |
| Conforms with IC             |              | No                 |

## Modular Signal Towers / KombiSIGN 72 TwinLIGHT Classic 24VAC/DC GN

| EAC certificate available     | Yes                   |
|-------------------------------|-----------------------|
| Conforms with UKCA (Importer) | Yes (WERMA (UK) Ltd.) |
| Conforms with CMIM            | No                    |
| Conforms with AS-I            | No                    |
| ICAO Certification            | No                    |
| Conforms with DNV             | No                    |
| Conforms with RoHS CN         | No                    |
| Conforms with VdS             | No                    |
| MTTF-value [years]            | 2880                  |
|                               |                       |
